## *I.A.S. National Meeting Schedule*

**Fifteenth Annual Meeting—New York, N.Y., Hotel Astor —January 28–29–30, 1947**

**Aircraft Propulsion Meeting—Cleveland, Ohio, Carter Hotel—March 28, 1947**

**Light Aircraft Meeting—Detroit, Mich., Horace H. Rackham Educational Memorial—May 26–27, 1947**

The Meetings Committee of the Institute invites participation in the technical sessions of the Aircraft Propulsion and Light Aircraft meetings.

Members or organizations wishing to submit papers for these meetings should send complete papers, or outlines or summaries, to the Meetings Committee at least three months prior to the meeting. Outlines or summaries should not exceed 1,000 words.

All papers submitted will be considered for publication in the *Journal of the Aeronautical Sciences* or the *Aeronautical Engineering Review*.

**All correspondence should be addressed to The Meetings Committee, Institute of the Aeronautical Sciences, 2 East 64th Street, New York 21, N.Y.**
